

Columbus and Franklin County Continuum of Care Governance and Policy Statements

Continuum of Care Structure under the HEARTH Act

The Continuum of Care (CoC) is composed of representatives of relevant organizations that are organized to plan for and provide, as necessary, a system of outreach, engagement, and assessment; emergency shelter; rapid re-housing; transitional housing; permanent housing; and homelessness prevention strategies to address the various needs of persons experiencing homelessness or at risk of experiencing homelessness for a specific geographic area. The CoC is responsible for coordinating and implementing a system for its geographic area to meet the needs of the homeless population and subpopulations within the geographic area.

The CoC's primary responsibilities under the HEARTH Act include the following:

In Columbus and Franklin County, Ohio, the CoC provides stewardship for all the strategies developed under *A Place to Call Home* and *A Place to Call Home for Youth* (frameworks for action to address homelessness in Columbus and Franklin County). The CoC provides funding for the capital, services, and operations of housing in Columbus and Franklin County, coordinates activities for the frameworks, promotes collaboration to achieve goals and strategies, and secures resources for programs and projects.

The policy statements below govern the work of the CoC. The CoC annually reviews and approves these policies and an annual plan.

1. Membership

For CoC membership, the CoC Board proposes new/replacement member participation each year. The CoC Board receives recommendations for consideration from the CAC, YAB, CSB Board, and the Columbus Coalition for the Homeless for their respective organizations' representation. CSB posts on the CoC website by March 1 of each year that nominations for CoC membership are open and sends an email soliciting nominations to a wide array of community stakeholders. The nomination period remains open until the May CoC Board meeting. The CoC Board considers the nominations at the May meeting. The CoC Board must reach consensus when recommending new/replacement members for the CoC. In this context, consensus means that first a unanimous vote will be attempted. If unanimity cannot be achieved, a positive vote by two-thirds (2/3) of the members (7) is needed for a new/replacement member to be recommended. The CoC votes on the CoC Board recommendations at the May/June CoC meeting. The CoC also must strive for consensus when adding new/replacement members. First, a unanimous vote will be attempted. If unanimity cannot be achieved, a positive vote by two-thirds (2/3) of the members (27) is needed for a new/replacement member to be recommended. The new membership takes effect July 1 for the following fiscal year. *24 CFR Part 578.7(a)(2)*

For CoC Board membership, the CoC Board receives recommendations for consideration from the CAC, CSB Board, and the Columbus Coalition for the Homeless for their respective organizations' representation. These representatives must be members of the CoC. The CoC Board must reach consensus when recommending replacement members for the CoC Board. In this context, consensus means that first a unanimous vote will be attempted. If unanimity cannot be achieved, a positive vote by two-thirds (2/3) of the members (7) is needed for a replacement member to be recommended. The CoC Board membership will not exceed 11. In proposing replacement members, the CoC Board will be mindful that the CoC Board membership must be free of any factual or perceived conflict of interest. The recommendations are made at the May CoC Board meeting. The CoC will vote on the CoC

Board recommendations at the May/June CoC meeting with the new membership taking effect July 1 for the following two fiscal years. *24 CFR Part 578.7(a)(3)*

2. Meetings

The CoC is expected to meet at least in January, May/June, and late summer/fall of each year. CoC meetings are open to the public. The CoC Board is expected to meet at least in January, April, May, and late summer/fall of each year, in closed meetings. CSB may, from time to time, request the CoC Board to meet more frequently to meet HUD requirements. Regular attendance in both CoC and CoC Board meetings is expected by the representative or their delegate, as long as the delegate holds decision-making authority. If a delegate is needed for a meeting, the official member must inform CSB as soon as possible ahead of the meeting so that CSB can ensure there are no conflicts of interest. Meetings can occur in person or virtually. *24 CFR Part 578.7(a)(1)*

CSB staff gives notice of each meeting of the CoC and CoC Board, to each member of the CoC and CoC Board, by mailing or emailing the same to each member at least seven (7) days prior to the holding of such meeting and posting the CoC meeting agenda on the CoC's website. CSB provides staff support for the CoC and CoC Board.

A majority of the CoC and the CoC Board members shall constitute a quorum at all meetings thereof. Voting shall only occur if a quorum has been achieved during the meeting. Robert's Rules of Order will be followed and a simple majority vote is necessary for any resolution of the committee to be passed.

3. Community Framework Activities

The CoC does not serve as the convener for the Community Frameworks' strategies, but provides stewardship and oversight for the Community Frameworks.

The role of the Strategy Conveners is as follows:

- < Form a planning group
- < Report progress to the CoC
- < May or may not serve as lead implementing agency
- < Suggest resources for implementation
- < Assist the CoC with securing resources

Throughout the implementation of the Community Frameworks, evaluation efforts will assess the degree to which the frameworks are executed and will track the success of each strategy. Our community's HMIS is used as the primary data source and enhances data collection activities related to the Community Frameworks. It is also used as a monitoring, outcomes measurement, and performance-based contracting tool across systems, to inform the community about the progress of the Community Frameworks, and to meet HUD requirements.

4. Conflict of Interest and Code of Conduct

Any individual participating in or influencing decision making must identify actual or perceived conflicts of interest as they arise and comply with the letter and spirit of this policy. Disclosure should occur at the earliest possible time and, if possible, prior to the

discussion of any such issue. Individuals with a conflict of interest should abstain from voting on any issue in which they may have a conflict. An individual with a conflict of interest who is also the committee chair shall yield that position during discussion and abstain from voting on the item. No CoC Board or CoC member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents. Annual written disclosure statements will be provided by each member by June 30. Members will not be permitted to participate in meetings until the statement is on file at CSB. *24 CFR Part 578.7(a)(5)*

5. Appeals

For CoC- and Emergency Solutions Grant (ESG)-funded programs, if a Partner Agency is not satisfied with a decision made by CSB, the agency can appeal to the CoC Board. If the agency is not satisfied with the CoC Board's decision on the appeal, the agency can appeal to the CoC. The CoC's decision is final. For CSB-funded programs, if a Partner Agency is not satisfied with a decision made by CSB, the agency can appeal to CSB's Board of Trustees.

CSB has the following roles:

1. Make decisions about HMIS management and administration.
2. Designate a single information system as the official HMIS software for the geographic area.

Execute a written HMIS Participation Agreement with each CHO, which includes the obligations and authority of the HMIS Lead and CHO, the requirements of the security plan with which the CHO must abide, the requirements of the privacy policy with which the CHO must abide, the sanctions for violating the HMIS Participation Agreement (e.g. imposing a financial penalty, requiring completion of standardized or specialized training, suspending or revoking user licenses, suspending or revoking system privileges, or pursuing criminal prosecution), and an agreement that the HMIS Lead and the CHO will process Protected Identifying Information consistent with the agreement. The HMIS Participation Agreement may address other activities to meet local needs.
