Three Reasons Why You Were Given Top Priority to Be Vaccinated Against COVID-19

1. People in our community are at high risk of being exposed to COVID-19.

2. Protecting you also helps protect your friends and family, especially those who may be at higher risk for severe illness from COVID-19.

3. You matter. And you play an essential role in keeping your community healthy.

Lead the way!
Encourage your family and friends to get vaccinated.

The Moderna vaccine is for people age 18 years and older, should receive 2 doses at least 28 days apart.
The Pfizer vaccine is for people 16 years or older, should receive 2 doses at least 21 days apart.
The Johnson & Johnson vaccine is for people age 18 years and older, and only 1 dose is needed.
